Want to earn FREE money for Pershing?

- Collect **BOX TOPS** from grocery products and turn them in to the office (big pink box.) Our school gets 10 cents for each Box Top. Classes will have competitions in the fall and spring.
- When Shopping at **RANDALL'S** ask the cashier to key in #1632 (Pershing's number) along with your Randall's remarkable card. This should tie your Remarkable card to

Pershing for future purchases AND Randall's will donate 1% of your total purchase back to the school.

- **CENTRAL MARKET** will donate 5% of your purchase. If you shop there, pick up a Central Market Share card in the front office.
- **OFFICE DEPOT** will award Pershing with credits that the school can use for future purchases. This offer is called the "5% Back to School Program." Buy qualifying items and tell the cashier you want Pershing to receive the 5%. They will tally the qualifying purchases made during the program period and will award credits to our school to be used for FREE SUPPLIES.
